NEWSLETTER – DECEMBER - 2016

INTRODUCTION:

We at the Word Alive Mission greet you all in the precious name of Jesus Christ our Lord and Savior. The Administrative board and my very self are grateful for your continue prayers and support for the work here in Ghana, West Africa. Indeed, we have been able to travel through the year 2016 as a result of your continue prayers and support for the various sectors of the Mission. As we celebrate the birth of our Lord and Savior, Jesus Christ, and usher in a new year, we pray God's peace and grace to abound on us all for another year of gospel ministry.

CHILDREN'S HOME

The orphanage Home continue to be a safe haven for the destitute, abandoned and orphaned children. The Management of the Home and the Mission Board are grateful for the support the Home has received throughout the year 2016. We are very grateful for your support and continue to count on you for the upkeep of the children regarding their education, health, and the general development of each child.

The Orphanage Home

Indeed, you continue to help the Mission put a smile on the faces of the children at the Home and this we are grateful. Among these fortunate children are Esther Blay and Love Ackah. They were abandoned children but they now have a Home. All the children are in school. Some of them are in Vocational/Technical Schools while others are in Senior High Schools and other college of learning. Together lives are being touched, trained and educated.

NURSING SCHOOL

The Nursing school continue to make strides. The student population stands at seven hundred. Currently, a new Principal is being sort and will be posted to the school soon. The Board is working on new administrative procedures for the school for effective coordination between management, the Mission and stake holders. Last licentiate exams saw the school securing hundred percent pass and this is a great achievement for the school administration, student population and the Mission.

PRAYER POINTS

Please, pray and stand with us on the following;

- The construction of the hospital currently on going at the Mission site
- Provision of a Deep-freezer, new set of furniture and cooking stove for the orphanage.
- The means to set up a good library for the Christian school (Nursery to Grade nine)
- The plan of developing Laboratory Technology course at the Nursing School
- The leadership of the Mission and administrators at the various sectors of the Mission.

CONCLUSION

We at the Mission wish you a very merry Christmas and a happy new year. May 2017 be filled with joy, the peace and the love of God. May He continue to empower all of us as we continue our mandate on this earth, touching lives for the Kingdom of God. Halleluiah!!
